2. Salah – **praying** 5 times a day (and how to make wudu!)
3. Zakat – **sharing** what Allah gives us

2 Tick what we learned

Read each line together and tick it when your child can tell you about it.

3 I practised it this week

No right or wrong answers. Colour the stars together at bedtime and praise the effort, not just the result.

4 Draw it!

Any picture is a good answer. Ask your child to tell you about it, and write their words under the drawing.

Try this at home

Draw five columns together and use the names from the lesson to label them. Let your child decorate each column, then point to one and explain what they remember in their own words. Just like a house needs strong pillars, a Muslim's life is built on five. Mohid and Layla learn all five with Dada, Baba and Mama in this family episode.
