2 Let's talk: what to listen for

Every child's answer will be a little different. Praise any answer in their own words that shows these ideas:

- Thunder is a big sound in the sky that Allah created. It cannot hurt us when we are safe indoors.
- Muslims remember Allah during thunder. Listen to the words in the video with a grown-up and repeat slowly.
- Staying close to a trusted adult helps us feel safe.

3 I practised it this week

No right or wrong answers. Colour the stars together at bedtime and praise the effort, not just the result.

4 Draw it!

Any picture is a good answer. Ask your child to tell you about it, and write their words under the drawing.

Try this at home

Let your child describe how thunder sounds and how it makes them feel. Watch with a trusted adult and listen to the prayer in the video at a comfortable pace. Watch at your own pace and pause whenever you want to talk. This companion activity is an idea to try together, rather than a transcript of the video.
