2 Let's talk: what to listen for

Every child's answer will be a little different. Praise any answer in their own words that shows these ideas:

- **Alhamdulillah** means "all praise and thanks are for Allah".
- We thank Allah first, and we also thank the people who help us.
- **JazakAllah Khair** is a lovely way to thank a person.

3 I practised it this week

No right or wrong answers. Colour the stars together at bedtime and praise the effort, not just the result.

4 Draw it!

Any picture is a good answer. Ask your child to tell you about it, and write their words under the drawing.

Try this at home

Invite your child to draw one thing they are grateful for today. Put the drawing in a jar or box. Add a new drawing another day, then read or describe the collection together.
