2 Let's talk: what to listen for

Every child's answer will be a little different. Praise any answer in their own words that shows these ideas:

- Islam teaches us to be kind and respectful to our parents.
- Stop, look and answer when someone calls you.
- A gentle reply like "Yes, Mama, I am coming" makes home calmer.

3 I practised it this week

No right or wrong answers. Colour the stars together at bedtime and praise the effort, not just the result.

4 Draw it!

Any picture is a good answer. Ask your child to tell you about it, and write their words under the drawing.

Try this at home

Practice a small request such as putting a book on a shelf. Take turns speaking and answering calmly. Ask what helps us notice when someone is talking to us. Watch at your own pace and pause whenever you want to talk. This companion activity is an idea to try together, rather than a transcript of the video.
