Your Smile Is Charity: Sadaqah Hadith for Kids

1 Fill in the missing word

1. A warm smile and a kind **greeting** are a form of sadaqah.
2. **Kindness** can be tiny: holding a door, sharing a crayon, saying salam.
3. We **never** force someone to smile; we just offer kindness.

2 Let's talk: what to listen for

Every child's answer will be a little different. Praise any answer in their own words that shows these ideas:

- A warm smile and a kind greeting are a form of sadaqah.
- Kindness can be tiny: holding a door, sharing a crayon, saying salam.
- We never force someone to smile; we just offer kindness.

3 I practised it this week

No right or wrong answers. Colour the stars together at bedtime and praise the effort, not just the result.

4 Draw it!

Any picture is a good answer. Ask your child to tell you about it, and write their words under the drawing.

Try this at home

Think of a friendly way to welcome someone. Practice a smile, a kind greeting or offering help, without making someone smile if they do not feel like it. Watch at your own pace and pause whenever you want to talk. This companion activity is an idea to try together, rather than a transcript of the video.
